Going Down

WORLD CLASS DIVING

For the diver, this extraordinary setting provides outstanding underwater visibility and a wide variety of exotic dive sites.

Dancing Eels

Countless reefs, towering coral pinnacles, underwater caves, lava tunnels, canyons, massive boulders and grottoes are strewn across this vast submerged shelf, creating a choice of dive sites that range from shallows for the novice snorkeller to dramatic sea caverns and extraordinary shipwrecks for the experienced scuba diver.

A PERSONALIZED VACATION

With 6-8 guests and two crew, a dive vacation with By The Bay offers privacy, custom-tailored schedules, one-on-one service, and the ability to choose dive sites and sailing destinations suitable to your interests. Not a diver? No Problem. We offer training and certification in both sport diving and Technical diving or, if you prefer, you can stay on deck and enjoy the sun while others dive.

Marina-Cay

We can change our itinerary at anytime so this vacation is your oyster, come down and enjoy. There are no set times for anything, so let's have fun.
